

## THE FLANDERS CAR "20" HEARD FROM

The following taken from the Dallas (Tex.) News of June 7th, shows that this car, though a small one, is coming to the front:

Arrives at Village in Quebec After  
Hard Run in Under-Three-  
Flags Run.

Special to the News.  
Laperade Station, Quebec, June 6.—The Flanders "20" automobile arrived here today from Quebec, having covered the first sixty miles of its "under-three-flags" trip to the City of Mexico over one of the worst roads in the province. Rain had fallen continuously for two days and the highway had been in bad condition since winter. A large share of the trip had been made on second speed, necessary not only on account of the roads, but also by a long series of steep hills, the worst of which forms the west bank of the Jacques Carlis River and includes a grade of 50 per cent for nearly an eighth of a mile. The "under-three-flags" car will push on tomorrow for Three Rivers and Pilot Lane of Detroit expects to reach Montreal Wednesday night.

We have just received a carload of this popular little car that is made by the E. M. F. Company of Detroit, Mich.

THIS IS THE GREATEST AUTOMOBILE VALUE THE WORLD HAS EVER SEEN
